Northwind Technologies: Business Travel Policy

Finance · Rev. 2025

1. Approval

All business travel must be approved in advance by the reporting manager. Travel abroad also requires approval from the department head.

2. Hotel limits

The hotel cap for metro cities is INR 7,500 per night. The hotel cap for non-metro cities is INR 4,500 per night. Metro cities are Mumbai, Delhi, Bengaluru, Chennai, Kolkata and Hyderabad.

Stays above the cap need written approval from the department head.

3. Claiming reimbursement

1. Open the Expenses app and create a new travel claim within 15 days of returning.
2. Add each expense with its date, category and amount.
3. Attach a receipt for every expense above INR 200.
4. Submit the claim for approval by your reporting manager.
5. Finance reimburses approved claims with the next monthly salary.

Claims submitted after 15 days need department head approval.
