Riverside University: Merit Scholarship Rules

Office of Student Finance · Effective 2025-26 · Version 3.2

1. Purpose

The Riverside Merit Scholarship recognises sustained academic achievement. It covers 50% of tuition fees for one academic year and may be renewed annually if the student continues to meet every eligibility condition in Section 2.

2. Scope

These rules apply to full-time undergraduate students enrolled at the main campus. Part-time and exchange students are covered by separate schemes administered by the International Office.

Questions about these rules should be sent to the Office of Student Finance.

2. Eligibility conditions

A student is eligible for the merit scholarship only if all of the following conditions are met at the time of application.

2.1 Year of study

The merit scholarship is open to students in year 2 or above. First-year students are not eligible, as no university GPA is available for them yet.

2.2 Academic performance

Applicants must hold a cumulative GPA of at least 3.5 on a 4.0 scale, as shown on the official transcript at the end of the previous semester.

2.3 Attendance

Applicants must have attendance of at least 75% across all registered courses in the previous academic year.

3. Other scholarships

3.1 No combination with other awards

Applicants must not hold another institutional scholarship. The merit scholarship may not be held together with any other scholarship awarded by Riverside University, including the sports scholarship, the arts scholarship and the need-based bursary.

3.2 External awards

Scholarships from external bodies (for example, government or industry awards) do not affect eligibility, but must be declared on the application form.

3.3 Withdrawal

If a student accepts another institutional scholarship after receiving the merit scholarship, the merit scholarship is withdrawn from the following semester.

4. How to apply

Applications open on 1 June and close on 30 June each year.

1. Log in to the Student Portal and open the Scholarships section.
2. Complete the Merit Scholarship application form.
3. Upload your official transcript for the previous semester.
4. Upload the attendance certificate issued by your department office.
5. Declare any external scholarships you currently hold.
6. Submit the application before 30 June. Late applications are not accepted.

Results are published on the Student Portal within 4 weeks of the closing date.
